

SQ14 OPERATING INSTRUCTION 08-01
15 JANUARY 2008
Personnel
Uniforms

This instruction establishes unit policy concerning the wear of CAP uniforms for regular meetings and specific activities for members of Sacramento Composite Squadron 14 in accordance with CAPM 39-1 para 1-2 through 1-5, Table 1-1 and CAWG Supplement. The purpose of this instruction is to remove ambiguity over which uniform is appropriate for any given activity and to ensure members present a uniform appearance. This instruction does not cover all possible circumstances and good judgment consistent with this instruction and CAPM 39-1 should be exercised accordingly. In all cases, uniforms should be worn correctly and with pride.
